

Bible 101 for Children

The Journey at Green Valley Methodist

September 6 – November 29, 2009

Dear Parents,

This fall at Green Valley Methodist our 9:45 am journey for children is based on the book, *Knowing the Bible 101* by Bruce Bickel and Stan Jantz. It is an adaptation of the adult class currently offered at the church and is adapted especially for our children from Kindergarten through fifth grade. **The Journey Team** is excited to provide your child with this opportunity.

You may want to share this experience with your child by joining **The Journey Team**. We are currently short guides for the rotation. Guides meet the children at 9:45 am and accompany them to a different workshop each week, participating in the activities planned by the workshop leaders. Please contact me if you can give seven weeks of service to one of **The Journey Teams**.

OR

You can choose to enroll in the 13 week *Knowing the Bible 101* class being offered during the 9:45 am Crossroads Education Hour. You and your child will be studying similar topics.

We also encourage you to consider making the commitment to attend two hours of Sunday morning programming this fall. During **The Journey** (9:45 - 10:45 am), your child receives Biblical and faith growing instruction with their age level group. During the **Noah's Park Children's Church** program (8:15/11:15 am), your child has opportunity to share in the experience and meaning of worship and apply Bible understanding to their every day lives in a multi-age setting. A two hour commitment of children's instruction and worship will provide your child with a balanced opportunity for maximum spiritual learning and growth. AND it will give you an opportunity to take advantage of worship and adult education, too. Won't you make this commitment to two hours on Sunday morning?

Please pray for **The Journey Team** as we provide this program for your child(ren) and pray that your child will grow in their knowledge and love of God and His word.

In Christ service,
