

GVUMC Benevolence Ministry

Mission Statement:

The purpose of The Benevolence Ministry is to provide consistent guidance and resources based on Biblical principles, for helping those in need. Our focus is to help people with financial difficulties transition to a more stable financial situation using God-based financial teaching.

In addition, using the Crown Money Map Coaching Training Course from Crown Financial Ministries we provide guidance and practical assistance on how to manage God-given resources. This counseling aspect is available for anyone wanting to build a solid foundation of Biblical financial principles and practical knowledge to help make financial life changes.
